### Source Information

Ancestry.com. 1910 United States Federal Census [database on-line]. Provo, UT, USA: Ancestry.com Operations Inc, 2006.

Original data: Thirteenth Census of the United States, 1910 (NARA microfilm publication T624, 1,178 rolls). Records of the Bureau of the Census, Record Group 29. National Archives, Washington, D.C. For details on the contents of the film numbers, visit the following NARA web page: [NARA](#).

### Description

This database is an index to the head of households enumerated in the 1910 United States Federal Census, the Thirteenth Census of the United States. In addition, each indexed name is linked to actual images of the 1910 Federal Census. The information recorded in the census includes: name, relationship to head of family, age at last birthday, sex, color or race, whether single, married, widowed, or divorced, birthplace, birthplace of father and mother, and more.
