Chicago, Ill.

Dear John:

Here I am again to draw your attention to some affair coming along to-morrow night, April 22nd.

We are again asked (also Dave) to attend a surprise party given in honor of Mr Oscar Stone on his twentieth (20) birthday, at the home of Miss Alma Bergman, 8:45 P. M.

Sigra and I are going to church until 8:30 to practice, so if you will kindly meet us there, it will be appreciated by me.

The Bergman girls are giving this party, just for the sake of having a good time,

I thought to get by phone
- today but did not know
the firm's name, for I ~~was~~
did not get this not today.

so nothing is asked, only
that we should be sure to
come, as there is only a small
crowd invited.

I hope that you will not
have to work for Alma
beg me very heartily to try
and have you come, so
I am now trying my best.

Trusting this letter will
reach you in good time
to consider the matter, and
hoping to see you Saturday
if possible, I beg to remain
as ever

Yours own,
Rich.
