

11/5/06

Dear John -

I must devote
a few moments to the
answering of your
letter which you
so harshly upbraided
me for not replying.
How you can't be
nice, can you?

How has my boy
been feeling to-day?
I hope he is not
worrying over last
night. I could see
that you appeared
angry, in fact.

was also, but let us
forget it, and turn
over a new leaf.

Grace C. and Alfrida
Olson came over this
evening and called
on Almida, and the
three went over to
see Miss Frances,
but I say they went
to see Harry Carlson.
or some one else
around that neigh-
borhood. In fact
I will tell you what
Grace had to say.

Do you know that
your brother Valmer
has called on a
girl on 58th and

Normal Ave. Well
it is Grace Carlson.
He was over there
a week ago Sunday,
and ~~also~~ last
Thursday night he
and Harry C. together
with Grace, went
over and called on
Alfida. Grace asked
me ~~or~~ not to let
Valmer know that
she told me, but
I could let you know,
providing you do not
connect me with it,
but I presume you
know all about it.
Tell him from me
that he is doing first
rate.

Well John, are you
willing to call on me
next Sunday afternoon,
early. I hope this
is not asking too
much, in case you
have intentions else-
where. There are going
to be some young people,
over, (hey I'll I guess
I had better say who
they are. For once,
Dave is going to ask
Eitel, and I'll try
and see if Jennie
and Victor are willing
to come this time,
for we want some
one who can play.

How dear, (can I
call you that again)

write and say, "Yes."

It is now 15 minutes
to eleven, so it is best I
close for this time,
with all hope that
you are not angry,
for I am not, I
remain as ever

Your own
Rich

Nov. 5th - 06.

I wrote this
- time as early
in the week
possible, so
would not
leave it
towards
the end.
