Fear Ruth:

Just a few lines for  
I haven't got much time to write  
although it is over a week since  
you got a letter from me last.

How is my Fear girl is she  
well or is she worst I hope you  
are better. I don't feel right  
when there is something wrong  
with you, it make me feel  
next to sick too.

I guess you know that the  
stock show is open this week.  
I intend to go <sup>there</sup> next Thursday  
and I would like to have you

go along if you get well enough  
and can go, I hear it's pretty good  
this year.

If you can go write and let me  
know I think I can get an ~~answer~~  
answer till Thursday night, if  
not we can go Friday night.

If I have to work over time any  
of them night I will call you  
up on the phone, you No. is  
central #026 isnt it.

Was to the club meeting last  
night.

Mr. Walmer is waiting for  
this so I will close
