

Dec. 5-06

Dear John-

I have received your welcomed letter, and take pleasure in thanking you for the kind invitation to accompany you to the Stock Show.

I am feeling as gay and spry as ever, even though I have just pulled out of a little attack of cold.

The best nourishment receipt for or procription is the best to call it,

is a three-quarters
bottle of milk with a
hose on it, and that
I should soak my
head in a pail of
soft soap be retiring.

Don't think that
the doctor gave me the
cure desirable, but
it was Dave.

He says my disease
is very acute, but he
thinks that after
a few applications
of tar and feathers
that I will be
able to sit up and
look foolish.

It is very delightful
to know that your
sympathies are always
in evidence at times
of sickness. Worked
all day Monday and
half Tuesday, but
today am almost my
self again, which
I am very glad of.

I will look for
you Thursday evening
and in the mean
while I am a ever

Your loving

Dear Mother
I received your letter
of the 10th and was
glad to hear from
you. I am well and
hope these few lines
will find you the same.
I have not much news
to write at present.
I am still in the
hospital and will
be here some time
longer. I will write
again when I have
more news to tell.
Love
John
