

April 23, 07.

Dear Ruth:

I suppose you are in the church now while I am writing this. It is 20 minutes to nine.

I hope you are having a good time sewing, yes like fun.

I am tired to night and don't feel like going to church so I will stay at home like a good boy, ~~but~~ still I would like to see my girl tonight but I will write a few ^{lines} instead maybe that will help some.

I haven't got anything new to tell you except that Dave - Cronquist is running off another party, this is on you know - Peterson, Dave ask me if you and I will go, but I have made up my mind to keep away from

there old parties so I said no
I wont go, and this time John wont
go he will stay at home.

I am with sick and tired of
such much parties ~~as~~ they give.

Today Doctor Worleins was here
and visited mas feet he said
that she froze them last winter.

I think it is funny that she
could freeze them she never
goes out of doors in winter.

I think this is enough till
I see you Friday to morrow I
suppose you will be at ~~quill~~
chose ~~fracturing~~ for A Friday.

Excuse me for writing on soiled
paper but it was the only I
had with many xxxx I am

Your, John.
