My dear Ruth:-

Hear comes the letter I promised I would write. It is so long since I wrote to you that I don't know how to write. I will try my best I know every little helps.

I suppose you are asleep now (9:30) so that you can take in the wedding to morrow night.

I hope you have a good time. But don't you get married, for then you will have some body after you.

How do you like work this week?

is it hard after your long vacation  
I suppose you have all that you  
can do to catch up.

Tomorrow night I will watch  
for you at 58<sup>th</sup> st. so if you get  
off early for the wedding I ~~can't~~  
see you, my heart is aching to  
get just one look at you if it  
only be for a few minutes you  
don't blame me do you?

When Pa. came home to night  
he (said he thinks) thought  
that he met Almeda and another  
girl but he wasn't sure.

I think maybe it was them,  
for you said they might come

up and see Bill this week, -

This morning when I went to work I met Paul Lovgren on the S., and while we were talking he said he was over to see Justen Olson the other night.

When he mentioned him I thought I would ask if he really is married for he ought to know all about him for they are the best of friends. when I asked he laughed and said he isn't, he said, so many have asked the same question that

he would like to know where  
it all came from, Justin  
lives on 65 + Diamond St.

Well I see I am on Page # 4  
so I best quit soon.

Say! dont eat to much cake  
and good things to morrow  
night so you get sick.

With many xxxxx from me.

I am

your son

John
