Dearest John-

I cannot express my delight on finding a letter this evening, and from one whom I have learned to love. I did not expect to hear from you, being that you work late, it really being my place to write to you.

I have been a good girl this week. ~~Been~~ Was to church three times this week. Oh no, it was only twice. Last night I went to prayer meeting, the church being almost

filled. Wednesday went
to Morgan Park. The
Choir sang hymn. The
programme was not much
but the best was the coffee.
Tubby asked to take Alhida
home but he did not want
my company. He asked
me why I did not take
you along so he could
be left alone with Mida.
Don't you think he is
hitting it some.

Extend my sympathy
to Ed during his illness,
and I do hope that it
will be alright with
him ~~and~~ without any
operations.

The idea of you saying
that you will be next,
although we can never tell.

please don't talk in that
manner for it will worry
me. but as long as you
are doing fine, I will
not add many gray
hairs to my head.

I have nothing new to
write about, but I want
to say that I am very
anxious to see you again.
It makes me feel happy
when I hear from you
by mail, but feel ten
times happier when
I have you within my
sight.

With my sincere love
I remain as always

Your own
Ruth.
