My dearest John--:

The receipt of  
candy was a pleasant surprise.  
and every time I eat one, it  
brings back dear thoughts  
of my beloved, although I  
felt ashamed that the card  
was mailed by me, but being  
that it was sent to my husband  
to be, I should <sup>have</sup> felt perfectly at ease.  
I know I am a beggar. At any  
rate I thank you with all my  
heart. You know that the  
box would be accepted with

Love. Don't you? <sup>and advise</sup> What I cannot  
express like Love I bear for you.  
Don't think for a minute,  
not even a second, that I  
would send a Lemon. Never  
Am just as daffy about  
seeing you again, but only another  
day, the in other words a complete  
of hours after you read this  
letter. It is but a short time  
where we will be together. en-  
tirely, when I will be in my  
glory.  
We stopped out early and  
came to an Englewood express  
train 25 min. after, but missed  
you. Will inform ~~back~~ again.

Well we have been to church  
just as much, only one night  
- this week. You neglected it  
on account of school, and I on  
account of sewing. I can't  
be out freely right, for then I  
won't have any thing made for  
me at my home, but ~~my~~  
must stick to it as much as  
I can. I intended to go to church  
but instead stayed in to write.  
My only desire is that I may  
see you to the church,  
On account of not having written  
for such a long time, I should  
first love to write a great

deal, <sup>but can't</sup> ~~but~~ will try and  
gather up my thoughts until  
I see you to-morrow night

With Love and many xx  
I remain ~~as~~ as ever

Your own and Loving

Jan 24-08

Ruth

I would rather send <sup>a good</sup> you  
real Kiss and a good hug,  
but I can't, ~~but~~ not through  
mail.

you is just  
telling me that  
if it is too  
cold, I can't  
go skating, now  
what do you think  
of that? Come and  
we will see what  
turns out.
