My dear Ruta:-

It is only two days since I saw you, but still I am aching so to see my wife going to be, that I can hardly wait. I guess it won't be any better till we can see each other always.

When I think of it I wish I had a home now, with a dear wife to meet me with a warm kiss when I come home from work.

If I did maybe I wouldn't be staying home sick to day. Yesterday morning I felt a little better but last night I was all in. My thought is

---

sore and swollen to day so I have  
to go to the doctor and see what he  
can do. Ina came home from Ind.  
last night in the same condition  
as I am she could hardly get home.

It dont surprise you to here that  
she is sick when she comes from  
Ind. do's it? It is so short time since  
I saw you that I cant think of any  
thing interesting to write you.

I & I will end up.

With many xxxxx KISSES To my  
Cute

Your own  
Johnny
