My dear John:-

I spoke to father about your joining the church, and he felt very well pleased and delighted, so he wanted me to write and ask you whether you would like to be a candidate for next Sunday. when there is going to be six or seven ~~to~~ baptist. If you are willing, he wants you to come over to the house first before you go, in order to be sure you will be there, and father will announce it for you. If you intend doing so, you might as well do it now, then later.

I myself am very much delighted. With hopes of seeing you this evening, I remain
Your own and loving
Cuth.
