Dearest John:-

It was impossible for me to go to work to-day being that my cold has a good hold. I do not cough but my chest is sore, so thought best to stay in the house, but it won't hinder my going to church to-night, for I am too anxious to see my dear boy. The days seem so long, or in other words that time is so long without to

wait several more days
before seeing you.

I am going to sew
all day. It is now
11 o'clock, and I have almost
one waist made.

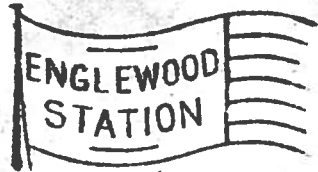

Ma is writing also. she
is writing to Sweden. She
is telling them that I
am going to get married
this fall, so they will know
it across the water also.

I have it much to interest
you with, but only a few

lines just to let you know
that I am constantly
thinking of you.

With much love and
many kisses, I remain
Your loving & own
Keith.
