Dear Mom, Dad & all,

Just in from church and I have a few minutes before lunch so here's some ink for you.

Today I am mailing a little package to you Dad. It contains a German mess kit set which was taken from one of the German prisoners. Knives and forks are considered as weapons in the hands of a prisoner — let 'em eat with their hands. But I thought it would be ideal for your lunch kit. Notice the small swastikas on each piece — if it makes it to the States. Also in the box are 3 electric grub buttons which I slung in for the packing. In case your curious, they are from the Enfield home of the King of Norway where I had my office for a while.

Bob's feeling fine and enjoying life. Thanks much for your newsy letter received recently. Bob's am glad you all is feelin' fine.

Love,  
Bob
