Dear Mom Dad + all,

I have been travelling every day for the last week - not one continuous trip but here and there. All by air though so it's no strain.

Your letter came in during the interval - the letter containing the one for my friend in Catania. If you could have seen how much happier it brought you would feel well repaid for all of the trouble. But you may be able to imagine how they appreciated it to know that their father had heard that they were all in good health and then to hear, after more than two years, that he was O.K. I'm sure you're his special friend for life.

Mig's long cheerful letter came too. All of the jokes were rib-crackers.

You seemed to indicate, Mom, that you might be able to use some silk hose so I'll send two or three pair. They are full-fashioned, etc but very sheer. If you can't use 'em just give them away. I guessed at the size but they might fit you or Jeanne or Carol.

I'm feeling fine.

Love
Bob
