SEE INSTRUCTION NO. 2

Dear Mom, Dad & all,

I know I shouldn't be working on New Year's Day but the first of the month is no time to observe holidays. But so many of the others are making a holiday of it that I'm not too busy.

Since my last note, nothing in the way of excitement has happened. Christmas wasn't anything too thrilling and New Year is nothing too important. A party last night, dinner out today and a special buffet this evening. That will complete the holiday season for me.

Thanks for your recent letter and clipping. I wish that I could return as much interest in my letters to you, but that is impossible under the circumstances since I can't write about the interesting things I do. I'll tell you about it when I get back.

I'm feeling fine. Also wishing the best for all of you during this New Year.

Love, Bob
