Dear Mom, Dad & all -

Several letters drifted in from you this past week - Migi, Carly and Momi. Also the Calumet Recorder and the Pig-Word. That was a wonderful article you had in the December issue, Mom. I'm sure many others received so much blessing from it, however it has a special significance to one of your sons.

A recent letter from Eva Love included news of Dick getting home for Christmas. I don't know whether to be happy, envious or what about that. I have been away for so long. for home this week by way of the hospital. Of course he has had it rough in that his wife sold their home without his consent and then asked for a separation. A reward for overseas service, I suppose. I have it comparatively easy so I shouldn't complain. I keep myself as fully occupied as possible - a couple of operas and a party this past week. - you asked if I needed anything but I can't think of a thing except popcorn. If you can find a can of popcorn, send it to me and I will appreciate it.

Also, please thank for Christmas cards I received from the Mitchells, Mr. Niece, Wotherspoons, Niles; Service Men's Wives Class, and Mrs John L. Johnson (with long note included) I appreciate people remembering me after such a long time.
