We're getting plenty of flowers now. The two little Italian bambinos downstairs have learned that we give them candy when they bring us flowers so our place looks like a florist shop. But I don't believe the neighbors appreciate it because I am sure it's their flowers that are being plucked.

Tomorrow is Sunday but also the day before gay day so I don't expect to observe a day of rest. However, my foxhole isn't too rough.

Time to head for my shack and relax for a few moments before dinner. If I can do anything for you be sure to let me know. I wish I could think of something I need but I can't.

Love,
Bob
