Dear Mr. Holmquist:

I am happy to inform you that your application has been approved by the Admissions Committee, and we are looking forward to having you with us as a Resident Graduate in September of this year.

A copy of the catalogue will be sent to you when it comes from the printer later this summer. When you have had a chance to examine it, we should appreciate receiving from you some indication of the courses you hope to take, together with a general statement of what you hope to accomplish in your year of study here. While the Navy encourages men to work out programs in accordance with their own particular needs, it is necessary that the course of study be forwarded to the Chief<sup>^</sup> Chaplains for approval.

Sincerely yours,

*C. Conrad Wright*
