Len -

You said that perhaps you could find time to write about Youth for Christ in China, which would be sent to Torrey Johnson for records to be placed in the Billy Graham Center at Wheaton College. The enclosed materials seem to be about all I can find. There are more YFC bulletins, I am sure, in my scrapbook.

I wrote to Stephen Wang for additional information. But it is doubtful that he would dare to say much, if anything. Also I wrote to Mary Wang in London for the same purpose, but have not heard from her. I might just write to Corry Johnson directly.

Enclosed are a few cartoons. Would you mind sending them on to Corry. Envelope is enclosed.

Yours ol' Pop

P.S. Louie full!
