Chapin's second notes

Chapin had long been
China + had made
an attempt to create
an incident in 1932.
In the summer of 1937
Chap. policies created
an incident at the Marine
Club Bridge outside of
relegating that Chinese soldiers
had attacked them.
A month later another
so-called attack occurred
outside of China -
This furnished an excuse
to shell Chapin, the

Chinese city, divided
from other nations
Shai by a ^{the river} ~~small river~~
a small tributary which
flowed into the Yangtze
Estuary.

Following the shelling
a million Chinese crossed
the Clark Bridge into
Shai - by the day.

In retaliation to the
shelling the Chinese Air
force sought to bomb
the day and night battle day
In their inexperience the
pilots dropped the bombs
on Shai.

I was on my way to
visit the family & arrived
just before the Shari
affair started.

The people mentioned
in the letter were all
being friends working
in Shari.

"Helen" McDevor, a PUKC
friend lived on Cape Cod
"Wen" Eschard, in Canada
"Lorain" was a nurse from
Mass-Kenya and worked as
a nurse in France during
World War two - & working
for her & my friend under
Japanese war. Ref. land

*I did get to Kingston
finally. She was w/out
the boat & could steam
begin running again.*
