Dear Brother Culpepper:

I have two or three young people in my church who would like to enter your Seminary as students.

One of them is a girl about 25 years of age. Two are men about 30 years. All have been through the junior Middle school.

One of the men has been a schoolteacher for some years and the other an evangelist, one or two years. The girl has just finished school.

I write these lines to find out id you would receive them as students in your Seminary in the beginning of next schoolterm, if they can manage to get there, and in that case: when please tell when the term is starting.

Thanking you in advance for the answer I wish you a very happy and prosperous New Year.

Fraternally Yours,

J. A. Rinell.
