Kiss Sweetheart,

Just a card to say hello to you.
I found this card to-day so I want to
send it to you darling. Perhaps you
will be "down in your shoes" when
this arrives, so then it might cheer
you up a bit! Put off a letter to you
to-day N^o 32. Hope you're fine and
be good!!! Don't you date flat too much.

I'll ping off here, hoping to have
a letter to-morrow. Once more
I love you. x x x x

To My Sweetheart

This comes today, Sweetheart,
to say
"I love you" just once more
It seems to me that
that must be
What every day is for.

Yours

Blondie
