Hi handsome !!!!

I can't figure out that it has been soooo many years since I was rushed to the Hospital
At the time dad was working for Bendix and we lived in Reseda . That house ended up being a parking lot and by now I
am sure that it has a high riser on it . next to our lot was First Baptist Church of Reseda where we attended and where
I was Director of DVBS .!!!! ojojoojoojojo !!!!!!!!! then we moved to SF -Valley off of Chatsworth st, That house was
our FIRST house and dad went into the Navy from there . I had to sell that by myself . Oh by the way YOU decided to
look through my jewlery and my Perido ring ,you decided to "plant" my ring in the flower bed !!!!!!!!! ; 0) It was never
found !! I was very pregnant with Cookie !!!!! !You also got your first pair of Cow boy boots there . I think you were 4-
ish . When you got them I said : " Shall mommy help you get them on and you answered : "No ,me do" and you have been
doing that ever since ! Except that you got the boots on the wrong feet !!!!!!!!!!!!!
that is your story ! Happy birthday !
LOVE you tooooooooooo much
mom
