My Darling,

Time passes so terribly fast. This is good; for every minute brings us that much closer to having each other. You asked me in the letter received this morning whom I mean when I say "the one I love." Honestly Sweetheart, do I need to say? Yes, I suppose I do.

I must be going to town now
I guess to be around over
+ over again that I am
I have not been down yet
I am not near my life;
I want to make some
thing to you for every
little bit of the one + the
only one I love in you!
Q - You believe me? Love
I'd like to know that to you
in the way that only
I can do + can do

Three fingers so tenderly
Foot. This is good; for many
minute bumps in that mound
above to having each other
of an object in the letter

occurred this morning when
I was under a "the"
"I have" "I have" "I have"
"I have" "I have" "I have"
"I have" "I have" "I have"

You must be just like me.
I yearn to be asunder over
+ over again that you
love me. Doris dearest, put
your ear near my lips;
I want to whisper some-
thing to you. You crazy
little goof, the one + the
only one I love is you!
Do you believe me? Some
day I'll prove that to you
in the way that only
husbands should + can do.

No 30-3.

Do you think you'll be in favor of letting me do that?

The wedding on Saturday turned out all-right.

Cousin Bill + I understand, as you know. Wedding (big ones) are alright for some people, but they do seem like such a needless expense + so foolish. I expressed my disuse in the ceremony to Bill's girl. She said that I was right. Once

she liked big weddings, but
 now since she is a little
 older + more sensible, she
 dislikes them too. Sweetheart,
 can't we just have a little
 wedding? Otherwise I'll
 not be able to marry you
 until I don't know when.
 I'll just not have the money.
 As soon as you land we can
 go to visit this preacher I
 know + have him tie the
 knot. What do you say?

that I was with. Once
 Bible just the same
 because in the ceremony to
 be for the 1st of the month
 and a number of expenses +
 people, but they do seem like
 you know. Wedding (big
 from Bill + his
 turned out all right.
 The wedding on Saturday
 favor of getting me the best?
 P. You think I would be in

Sunday was the 4th of July. In the States the 4th is celebrated each year. On July 4th, 1776 the Declaration of Independence was signed. Now each year is a holiday on that date. Because the fourth was on Sunday, Monday was set aside as a holiday instead. So on Saturday night we all piled off to Grovetown again.

13 weeks reading 2 1/2 books

Sunday was the 4th of July in the States the 4th is celebrated each year on July 4th, 1776 the Declaration of Independence was signed. How much fun is a holiday on that date. Because the fourth was on Sunday, Monday was set aside as a holiday. Instead of on Saturday. It is a holiday. I might be all right off to

Besides reading 2 1/2 books, I did have a good time. Among other things, on Monday I went riding in Al's new motor boat. How I did wish you were out in that lake with me - all alone & far from shore. Do you think you could trust me. I don't think so. Wow!!!!!!

So you're going to make me pack & unpack your suitcase, are you. Boy, won't

And I know did I make a
good teacher!

Remember, I love you - always.
