Hello Sugar,

Darling, Darling, you'd better go back to school. You did it again. I received two letters today & they're both marked # 34. Now listen, first comes "34" and following that comes "35." you little dope, you darling, darling little dope. How I wish you were here. Wouldn't I squeeze some sense into that sweet little head? And to be sure I'd do

47 a whale but more. Did let you
guess what? Sweetheart, how
can we wait until you finish
training. I want you & I want
you now. As hard as a toy, I
cannot get you out of my
heart & mind. Even when I
date, I try to imagine my
date is you. It don't work.

There is only one Dodo - only one.
And I can love none other.

So you say you're stubborn.
Boy, don't I know it! You're
just like an old mule.

No 41-3.

But now listen Miss Pruitt, don't say I'm stubborn. Everyone knows that I'm as considerate as can be. If you don't believe me, just ask me. Now you'll have to agree if you love me. You know, we have a lot in common; you love me & so do I love me - (ah-hem)!

But I love someone else too, she a crazy little blond that runs around with a thermometer in one hand & a hot water bottle in the other. If you still can't guess her name, I'll tell you it starts with D.H.R. ("H" for hell in) - and me wanting

"to become a preacher!"

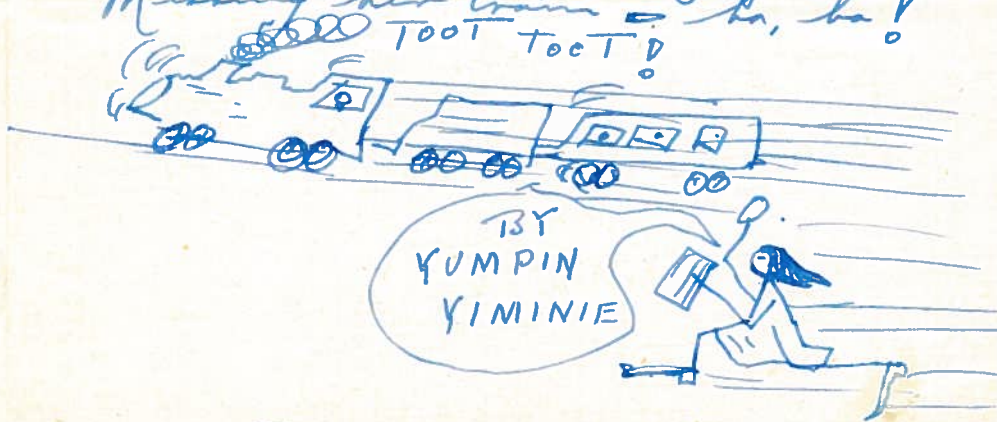

You bet, knowing you
will make me want to
change my mind. I won't
want to want to marry
you, I'd want to marry
you right away! Sweetheart,
how long must we wait?

Posting, I didn't know
you did any painting. I think
that's swell. I like art too.
If time permitted I'd like to
take some art work. How'd
you like me to go into
Chicago Art Institute +
paint some nude models?

No. 41-5.

Would that be alright? Or should I wait until I get to Sweden? -!!! Wow! Dodo, get that bar of soap + wash out my mouth. Or maybe you would not mind. Then I'd have to wash out your mouth. Well, anyway our day is coming, isn't it?

What a dope my gal is.
Missing her train - ha, ha!
TOOT TOOT!

6. What's what you get for drinking that extra cup of coffee. I suppose you thought the train would wait for you.

What a gal? Sweetheart, why is it that every woman likes to buy hats? There is nothing they'd rather do. You might as ^{well} know it now, I'm funny on ladies' hats. I like them simple & sensible. I hate to see a woman with some crazy thing on top her head. If she wants a vegetable garden, why don't she grow it in the back yard? So you'd better

Buy a good hat! Understood?

You bet I'm jealous
when you get a date. I'd
like to sock the bogo on the
end of his big nose. Boy,
when I get there every body
had better stay clear - or else!

Now my little blonde,
you'd better be good + take
care of yourself. Remember
you belong to me + no one
else. I love you Doris, +
want you for my own. Will
you be mine - for life?

Sincerely yours,
Bernie
