My Darling,

'Tis the end of another day.
The day started out rather wet &
ended rather cool. In fact, tonight
is very cool, so much so that I
had to wear a jacket.

What do you think of my
new pen. It writes kind of
heavily, don't it? Ho, ho, its
really the old one made to write
differently. In class today I
dropped it on the floor & of all
places for it to land, it landed on
the joint. Such is life! One
of these days I'll try to fix it.

I'll probably fix it so it won't work at all. Am only glad that it isn't my new Parker "51". This is just a cheap one I've had a long time.

I went to my mail-box about six times today to no avail. No letter from my girl. Oh well, I'm sure [↑]that there'll be one tomorrow (making so many mistakes I'll have to stop soon).

Smoothout, will you do me a favor? I'd like to have a lock of your beautiful blonde hair. Can you please clip one where it won't be noticed? I'll sure appreciate it.

(Faint, mostly illegible handwritten text, possibly bleed-through from the reverse side of the page)

Dooty, what can I write when
 I don't hear from you? So, if I'd
 heard from you today all the
 rest of this page would be filled
 with writing. As it is you'll
 just have to imagine what I
 would say. ~~~~~!
 ~~~~~?  
 ~~~~~ (Wow!).  
 ~~~~~!  
 ~~~~~ because I love  
 you. ~~~~~
 ~~~~~ here together!  
 ~~~~~

I don't know what to write
 when I don't hear from you
 so I'll just write what I
 would say if you were here
 with me. I would tell you
 how much I love you and
 how much I miss you. I
 would tell you how much I
 want to see you and how
 much I want to be with you
 all the time. I would tell
 you how much I love you
 and how much I miss you.
