My only Sweetheart,

Hello "stunkie." I guess
it's alright to call you "stunkie,"
because you told me you were
only "a skunk." I am told
that one should never contradict
a lady. So if you say you're
a skunk, I guess I'll have to
be satisfied with loving a
skunk - but a mighty pretty +
wonderful skunk I must say.
The word "stunkie" is funny.

As a young man (and I am young) I
often find myself in a bit of a
"stunkie" state. I don't know
what that means. I guess it means
that you are a "skunk." I am
told that one should never
contradict a lady. So if you
say you're a skunk, I guess I'll
have to be satisfied with loving
a skunk - but a mighty pretty +
wonderful skunk I must say.
The word "stunkie" is funny.

As a very personal term (not when others are around), lovers often call each other "stinkie." When they always smile! And that is what happened to me when I read in your letter that you are a shook.

Sweetheart, by now you know I received "that" letter. You seemed to think I should be mad. Sister, let me tell you that I've felt wonderful ever since receiving it + feel closer to you than ever. Darling, you can't realize how glad I am to have a wife with such a strong character.

I am so glad, Darling, that you
never yielded. Sweetheart,
I'm awfully proud of you -
really I am. Tonight I don't
have time to even begin to write
all that is on my heart. On
Friday or Saturday, after finishing
my exams, I'll write a real long
letter to you.
So I should scold you &
stop loving you. Well, maybe!
But do you think I shall? I'll
tell you what, I'll let you
think about it until I have
time to answer you. You
little daze - you darling little
daze, what do you suppose

my dear girl, I hope you are well
I am writing you in the hope
- you will be happy to hear
that I am well & hope
to write you soon to let you
know that I am in the
hospital on Saturday after
noon I have a letter to you
to tell you of my
+ my love to you &
I hope you will be
well & hope to hear
from you soon. I hope
to hear from you soon
I hope you will be well
I hope you will be well

4/ my answer will be?
Darling, when that tummy
gets bad, you need me to care
for both you & the tummy.
I'm sure you would feel so
much better if only you had
me to put my arm around you.
How about it?

Don't worry about Mom &
Dad paying for the shoes. I do
believe they're gadder to love you
nearly as much as I love (if
that's possible!).

Do you remember the little
agreement we made a couple
of weeks ago about going steady.
We made one reservation +
that was we would go out

60-5

if we found someone special.
No longer, Darling, do I want
to go out on a "special"
date. My heart belongs to
little Dodo alone. Its funny,
but that's just the way I feel.
Yet, I want you to enjoy a
date if a "special" person
comes along. But actually I
hope no such person comes
your way. Because you are
my steady, I believe I have the
right to ask certain things. One
is that you kiss no one & that
you let no one hold you in
his arms - not even for a second.
Darling, would you promise
this for me? And of course I

I promise to be the same for you.
And concerning that date
in your old hospital. It is
our promise & I think is not
mean enough to take you out
of the best advantage of you
because we were alone. So
I think, with your promise to
not date here & not even see
him. Maybe he is waiting a lot
but I don't think I can
letting you date. But don't
any friend of yours have
any more information.
I don't know what I should
& you may know it can be
to be able to do it. So
I don't know.

if we found someone special.
The longer I think, the more
I realize I want you. I don't
want to spend the rest of my
life with someone else. I want
you. I want you to be my
wife. I want you to be my
love. I want you to be my
everything. I want you to be
my heart. I want you to be
my soul. I want you to be
my life. I want you to be
my everything. I want you to
be my love. I want you to be
my heart. I want you to be
my soul. I want you to be
my life. I want you to be
my everything.

I promise to do the same for you.
And concerning that doctor
in your old hospital. He is
one person who I think is not
man enough to take you out.
He took advantage of you &
discuss no more date. So,
Darling, will you promise to
not date him & not even see
him. Maybe I'm asking a lot,
but I don't think I am. I am
letting you date. Yet I am
very jealous for your love. I
know you understand.

Honest, sweetheart, you
need me to watch over you &
oh, how I'd like to do it. I
love you so. Sincerely, your
own Bernie
