

4/ I have a Lord + a Saviour - One who is vitally interested in our welfare, One who is directing our path + actually giving joy in the void that is called life.

I believe, Sweetheart, that the almighty God Himself is bringing us together so that we can have the joy of serving Him together. Praise His wonderful name! Each day I find myself drawn closer & closer to you; and day by day I find myself more sure that soon it will

My little Darling,

Sweetheart, you can't imagine how much you mean to me. I don't know what I would do if I didn't have you to love and to be loved by. All day I look forward to this time when I can put aside the cares of the day and can pour my heart out to you. Only the Lord has brought us together. Though we are thousands of

8/ Darling, I have been thinking of  
"life with a wife." I know it  
would be terrible getting married,  
but for your sake I'm willing  
to make the compromise + sacrifice.  
Seriously, dear, it would  
be heaven to have you around  
night + day. I want to marry  
you and have you with me  
always. I believe a man + wife  
should be together always.  
Where I go, I want you to go.  
I believe a man + wife should  
work together + play together.  
Many men when they get married,  
go their way + let the wife go her

Myself and I for life.

Your letters are so wel-  
come. I keep running to my  
mail-box each day. The  
mail usually arrives just  
before nine o'clock. At  
nine I have a five minute break  
between classes. So, off to  
my mail-box I go. And  
usually there is a letter worth  
reading. Sometimes I read it real fast  
before class starts + reread it  
later when I have more time.  
And sometimes, like today, I  
read it well before class + get  
late. Who do you suppose I

No. 55-9.

way. I don't believe this really  
is marriage. Darling, you +  
I will plan our lives together.  
This is the way it should be.  
Darling, when I marry you,  
I shall marry you for day  
+ for night, every day for  
life. How does this sound  
to you?

Time for my shower again.  
Then devotions + bed. So good-  
night + sleep tight!

Your loving hubby,

Bernie XXXXXX

P.S. Darling, I believe an apology  
is in order. The only time that  
I can write is late at night  
when a day is done. At such  
times I'm terribly tired. Actually  
I should write in the morning  
when I am fresh. Late at night  
I have trouble organizing my  
thoughts & sometimes say things  
I wouldn't say when I can  
think more clearly. So forgive  
me & remember over those  
words: "I love you!"

I wish I had a ~~big~~ large desk-  
picture of my future wife.

Someday, Darling, do you  
suppose you could send me  
such a picture?

I'm so glad, Darling, you  
are feeling better. Boy, those  
chocolates! Sary, who  
sent you those flowers + those  
chocolates? Now listen, I want  
you to make a list of all  
the people who sent you things.  
Understand? And if any fellow  
is involved, I want to know  
all about him. Boy, you  
had better be home yourself.

I am willing to be late for class  
just to read your letter? Do  
you know?

As I write this letter, your  
pictures all are lined before  
me + the Wheaton city band  
music is coming in the window.  
Just as I get up in the morning  
+ just as I go to bed at  
night, I take out your pictures  
to look at them. Gee, you  
certainly look wonderful.  
Sweetheart. Best of all, you  
are mine, all mine. Do you  
know what I am wishing  
for. More than anything else I

"I come Lord Jesus." Darling,  
though everything is confused  
around us, in Christ we have  
a foundation + a standard that  
is eternal + is sure. Though  
everything on earth is defiled  
+ corrupted, our God is  
still righteous + holy. There is  
nothing really lasting on earth,  
Darling. But our Hope is in  
a Person who is above +  
superior to all human  
institutions. Now, if we didn't  
have a Saviour, we would  
have been better off to have  
never been born. But we do

7 miles apart, we see one in the  
Lord and in heart.  
Today on earth everything  
is mixed-up. On every hand  
there is trouble and war. There  
is actually little any more to  
live for in life. But for the  
Christian there is the hope for  
heaven - a place where peace  
+ love + joy ever reigns. And  
for the Christian is the glorious  
hope of the coming of our Lord,  
when we shall see our dear  
+ wonderful Lord face to  
face. I cannot help but say  
with St. Paul, "Even so,
