My only Sweetheart,

I'm so glad that you
did write despite your bad
headache. And don't worry about
your writing; I can read it
perfectly.

We are very much alike,
aren't we? I have noticed so often
how closely our thinking proceeds.
Truly God has made us for each
other.

Gaspar, don't think my
seeing you that way won't be
so much to look forward to.
But there is something very

but write about your book
I don't know what to say about
it. I have read it; I have read it
of your writing; I have read it
of your writing.

We are very much alike
I don't know what to say about
it. I have read it; I have read it

of your writing.

But there is something
I don't know what to say about
it. I have read it; I have read it

Important I want you to know.
I am not interested in you, Dodo,
primarily for the physical pleasure
you can give me. Rather, Sweet-
heart, I want you for my wife
because I love you + just want
you near me always. Do you
understand what I am trying
to say? Most of all I love not
the body of Dodo Reilly, but the
person, Dodo Reilly.

There is a very important
letter I want to write you. But
first, dearest, I must receive
answers to some very personal
questions I wrote the other day.
Right now I am sure I know
what the answers will be; but
I must be sure. When I receive
those answers, I will explain

I have said many other things.

Dois, just briefly now, I
have long been afraid for you.
You are far from home + your
loved ones and I realize how
personal things can get in a
hospital. People will say,
"There's nothing wrong with it

Everybody does it. You're too

doesn't it? Do you blame me
for loving you so much? You
certainly are wonderful + you
certainly are the girl for me.

Sweetheart, I'm awfully
jealous for you to remain clean
+ pure + honorable for me.
If you will do this for me, I
can promise you that I'll
remain the same way for you.

I have taken many girls in
my arms + I have kissed many
girls. But that's absolutely all
I ever have done. I do not think
I was wrong in doing this.
Darling, I want you to know

I have taken many notes in
 my course & I have learned many
 things. But I state absolutely all
 I have done & I do not think
 I was wrong in doing this.
 I would not have you to know
 anything about that. I am sure
 you will do this for me &
 you & I are friends for ever.
 I will be glad to receive your
 letters for you to receive them
 in comfort & satisfaction. I am
 for having you as much as I can
 & I am glad to hear that you are
 well & hope to see you for the first
 time. I am sure you will be glad
 to hear from me. I am sure you

 Yes, there has been many times
 when the girl has wanted to go
 to all extremes. But I wanted
 to maintain a good Christian
 testimony & save every thing for
 my future wife & my future
 wife alone - you.

I must make a confession
 though. Once two pretty little
 girls who were naked danced
 in front of me. They were sisters
 I was invited to their house by
 them & when I sat in the

any clothes + blankets + shoes

said she had a pair of shoes
but she didn't know where to

store and bought a pair of
shoes for her. I also bought
some clothes for her. I

someone tall, handsome, &
intelligent - in other words,
me. So she said she'd send
some cookies if I'd promise to
send a picture of my room-
mate. Well, cookies are cookies,
and who am I to turn down
some home-made cookies.
Therefore, I promised. I didn't
know where I'd get some
pictures. Finally I told Rusty
my predicament. He came to
my room with a picture of
a famous ape in a Chicago
zoo (Jimmy's picture). Last week
and Elaine asked for the picture
