in Chicago - almost like  
summer. In fact most of  
us have been running  
around without our coats.  
Tonight I believe I'll be  
going to church & to school  
at 5:00 in the morning.

Last night Elaine &  
I went to a Halloween  
party (today is Halloween).  
We were dressed like two  
little girls. I was wearing  
one of Elaine's short skirts  
& blouse & babushka (a  
cloth covering the head). It  
was real funny to see my

 legs. For parties I wore  
 an old green gym pants.  
 My aunt sewed white  
 lace + red ribbon onto  
 the bottom. What fun!  
 Elaine had my face all  
 painted up. At the party  
 I took second prize - a  
 great big lollypop (sucker).  
 Only one thing wrong with  
 the evening, Sweetheart;  
 you were not there. But  
 pretty soon we will go to  
 parties together. I raise  
 it's name.

This comes.  
 parties together. I was  
 pretty soon we will go to  
 you make out there. But  
 the evening's beautiful;  
 Only one thing wrong with  
 great big balloons (and)  
 I took several groups -

 I have had my fair share  
 the bottom. What fun!  
 love + great ribbon and  
 My aunt seemed quite

 life. For parties & games  
 good + wonderful, really

Its funny to hear every-  
 one's reactions about our  
 engagement. They all seem  
 to be happy about it (es-  
 pecially me). One gal  
 last night wasn't too  
 happy. She told me that  
 you put one over on her  
 (she's been chasing me for  
 years). Last week at school  
 another gal wanted me to  
 attend a school party with  
 her. I thanked her + said  
 "no can do." But I  
 don't mind, Honey, for I am  
 in love with only one.

For the little I heard on the phone yesterday, the call certainly was mighty expensive. I had to pay \$12.00 for a day-time call lasting three minutes. But we talked for four minutes. Wow! Darling, it was worth it to hear your voice after so long. And it was worth it to hear you say you love me & want to be my bride. I had a bit of all the things I wanted to say. And, believe it or not, I said & heard all that was necessary. So, Darling, it was worth

... things to saying you  
 ... the way that is  
 ... to avoid the strong  
 ... of your very  
 ... to avoid the strong  
 ... to avoid the strong  
 ... to avoid the strong

all your love

4.  
I have the letter behind me  
the office yesterday, the work  
certainly was caught up  
I had to go #1800 for a day  
I will be back in  
I got my letter for four  
Committee. How? Working  
it was meant to be  
I am home after so long  
I had it was meant to be  
I am for you and have  
& want to be your friend.  
I had a lot of all the things  
& wanted to say. Well, before  
it or not, I want a hand  
all that was necessary.  
So, working, it was meant

every penny I spent. Why  
do you suppose it was worth  
it? Did I tell you, it  
was worth it because I  
love you very deeply.  
Sweetheart, I must  
get ready for Church.  
Will be thinking of you.

all my love,
