Dear Len & Jill too:

Just a few lines to say
"thank you" for the enclosures
sent - about the Halvingist
family history - glad to have them.

There are 2 enclosed
pictures you may keep - such
as they are - one of Ray and me
and one of the Halvingist Cousins.

The Polaroid pictures I'd
like returned sometime (no hurry,
but that'd you'd like to see them.

Ray and I are busy preparing
ourselves for an overseas journey.

We leave this Thurs, May 7th
& the 22nd for England, Germany,
France, Holland, Belgium with a
tour group of the 95th Inf. Div.
of World War II (Ray was Army
Chaplain in the 320th Med. Bn.
of this 95th (proudly named:
"The IRON MEN OF METZ") as we
are to revisit with others, where
these men served and fought.
Should be extremely interesting!

I also have an addition to
what I sent you regarding items
of our family — our son Warren
whom I said was divorced — has now
recently married JOYCE COPPEDGE and
are living in Tucker, Ga. as I wrote.

(over)

Just it isn't too late to enter
her name after his.

Enclosed are a few stamps
to help with returning the
photos.

Good to correspond with
you. Keep up the good work.
Keep well and God Bless you
both.

Love to all -

Lillian
