Dear Len & Jill:

Our deepest sympathy goes out to you Jill in the death of your father. Yes time heals - but it is most difficult to loose one's father. I know, I was also very close to my Dad & missed him for a long long time even tho we didn't live close at the time of his death but he wrote very often or phoned.

The Lord will give you the strength & comfort you need + Peace Sweet Peace the Gift of God's Love.

Sorry I was slow in getting the information you asked for of Virginia Cham (Olson) Seeder & she also gave me the information of others of her

When I took the long trip by myself in 1976 to California & Dallas Tex. I took some pictures of Ellen Meete Nan Caird & Elden Nielson (all sisters) along with Lavinia & Howard Robinson taken at Lavinia's & Howard's home.

Also pictures of Marjorie & Jo Simes son John & a daughter - in Dallas Tex. Are you wanting pictures of relations? like that. Or will that be asking for too much from people. Let me know & I'll get prints made.

Leo brought in a big watermelon from the garden. I bet it weighed 20 or 30 lbs. want some? Yesterday he brought in a big cantaloupe I bet it had 12 notches & as big as a basket ball. I see him outside the kitchen

Wanda picking the big peaches "Alberda"  
off the little trees I see 2 bushel of them  
& a few are still on the little tree. That  
means I have work assigned to me for  
the rest of the week. The Bartlett pears are  
soon ripe too. 2 small trees & maybe  
2 bushel on the 2 of them. Leo also dug  
some red potatoes. I see a bushel out  
side & he said there probably is another  
bushel in the ground yet to be dug. Every-  
thing is coming at once. We wish that  
you lived closer so you could enjoy some  
of the produce with us. In another month  
the apples will be ready to pick. Most of them  
go for cider at the cedar mill. Last yr  
we had about 180 gal made - 3 yrs ago we  
had over 400. We sell most of that out  
in front of our place. Leo has sold it for  
years & many folks come back yr after  
year - usually Leo gets close to 100 gals  
at a pressing so we don't pick all the  
apples at one time. Now I must close
