Dear Mr. Holmquist

I have your letter to my niece Ruth E
Hultgren in Chicago - regarding a Mr. Hultgren
who was married to Emma Johanson. I
was not of our immediate family and I have
checked with cousins, several times removed,
and though they had Hultgren relatives in
Chicago there was no one married to Emma
Johanson.

I am so sorry - I had hoped to be of help
to you.

My parents come from Ostergetland, Sweden
and settled in Iowa.

I wish you much success in gathering in-
formation for your family tree.

Sincerely
Judith Hultgren
Lindstrand ~~and family~~
