Dear Len:-

Now that the "hoopla" is over, I can fill you in on the events that took place over the last couple of months, which will add a few things to our family tree.

First of all, my daughter Diane Gayle Rein (7-12-58) married Dean Edward Hawkins (9-22-57) on Sept. 6.

I suppose I should explain the above, since my name is also Hawkins. As you have probably figured out, this is my second marriage. My husband has one son from a previous marriage, Dean. My daughter Diane, married my husband's son, Dean.

They had been "going together" for about 14 years and finally decided to tie the knot. This situation will probably look strange on the family tree, however, that's the story!

The second event, which just took place, is the birth of another grandson. His name is Michael James Haughton (10-12-87). He is the second son born to Susan and Matthew Haughton.

These two events will bring you up to date, as far as our family goes. I think that's enough for a while anyway.

Have you heard from Jay? Sorry that it is causing you more work.

Take care,
Love

Janis
