Washington, D.C. 20005

Dear Sir:

Inclosed please find a request for you to send funds due the beneficiaries of Le Roy Roberts Jewett, a member of the Electrical Workers' Benefit Association (policy No. 129361), to the designated persons in the will of the deceased.

According to the will (copy inclosed), the executor of the will is Security First National Bank (now called Secutify Pacific National Bank). Ms. Doris Barham, trust officer of that bank in Oxnard, California, directed me to submit to you the inclosed "Declaration Under Probate Code Section 630" form. I trust that this will suffice for the collection of these funds. Other documents also are included with this letter.

Any further assistance from you on this matter will be appreciated.

Respectfully yours,

Doris Holmquist
